Subject: Sheriff's National Convention - Supper Sunday Evening and Monday

Marie,

We are attending the National Sheriff's Assn. Convention this weekend in Ft. Lauderdale, where we are featuring our "Jails on Demand" concept. I spoke to the Sheriff last month about possibly having some dinner.

Sheriff Jiff Hingle and we are hosting a formal dinner for about 30 or so Sheriff's and their Chiefs on Monday nite at the nicest steak house in Ft. Lauderdale. I will be forwarding a formal invitation later today.

However, I am also hosting a small gathering Sunday nite to be attended by Sheriff Marlin Guzman and wife, Criminal Sheriff, New Orleans (the first Minority to ever hold this position), Sheriff Jiff Hingle and wife, Plaquemines Parish, La., and Congressman Kendrick Meeks (Democratic Candidate for the U. S. Senate from Florida). Congressman Meeks is also a revered and very powerful member of the Congressional Black Caucus for the US Congress. I believe that Adrian will truly enjoy meeting these nationally involved leaders.

We are traveling to Miami Beach for supper at Joes Crab Shack or Prime 112 (two of the finest eateries on Miami Beach) Sunday evening. We would love for Adrian to join us (with his wife if she is attending) for this event. We will probably leave Ft. Lauderdale at approximately 6 or so Sunday nite.

Thanks and please give my regards to the Sheriff and advise him I look forward to seeing him while in Ft. Lauderdale. Bob
